

Dear Academicians and Professors Smirnov and Guseynov,

Thank you very much for the invitation!

I am sorry for my late reply. It was not possible for me to attend the conference, but I would like to send you our best wishes and greetings on the 100th anniversary of your Institute on behalf of the UT Institute of Philosophy and Semiotics. A hundred years is a long time for an institute, especially during these tumultuous times as the past century has been. I wish you a long and prosperous future and success in all your academic activities!

Yours sincerely,

*Bruno Mölder*
